

Programs & Workshops

Please check out our different educational programs and workshop options below. These are geared toward schools, libraries, daycare centers and other family friendly venues & events.

Under the Big Top Package

2 hours of balloon twisting & face painting + 1 hour of variety entertainment with 3 performers (20 mins per act). Variety entertainment depends on performer availability. Some of the performer options include hula hooper, magician, jugglers, flow artist, musician, and unicycle show.

\$1,650

Fire Dancing Program

1 45-minute educational fire dancing demonstration includes: 25-30 minutes of fire entertainment to fun kid-friendly music. Includes educational content discussing facts about fire dancing. This is followed by 15-20 minutes of audience members dancing with us using non-fire props like hula hoops, dance streamers, and veil fans.

\$750

Queens of the Rings

Duration: 1 hour & 15 minutes

Best for Outdoor Performances – Flat Surface Required

Queens of the Rings is a high-energy circus-style duet featuring award-winning performers Alli Spins and Nat Spinz. This act blends hula hoop dancing, juggling, and the breathtaking artistry of Cyr Wheel—a rare and mesmerizing apparatus not often seen in local shows.

From synchronized choreography to solo freestyles, this act brings flair, athleticism, and elegance to every performance. For libraries or venues with the right safety clearance, we can even incorporate fire props for an unforgettable grand finale.

Perfect for outdoor events, summer reading finales, or community celebrations.

\$1,500

Hula Hoop Dancing

This is a high-energy and interactive program that encourages hands-on audience participation. Together, we will learn the ways of the Hula Hoop Ninja!

A typical hula hoop show opens with an introduction and hoop dance performance. The rest of the program, guests are encouraged to pick up a hula hoop and learn a variety of hula hoop tips and tricks.

Hoops, sound, and music are provided.

\$425

Hula Hoop Building Workshop

Together we will build our own dance hula hoops!

You ever try to hula hoop with one from the store and it just didn't work?! It's not you, it's the hula hoop! In this workshop, we will build sturdy hula hoops that are heavy enough to keep rotating on our bodies but light enough to learn some fun hula hoops tricks.

Program is 1-hour. Hoop tubing, tools, tapes and some stickers available for decorating.

*Additional cost for materials.

*Discount available if used as an add-on to a hula hoop dancing program.

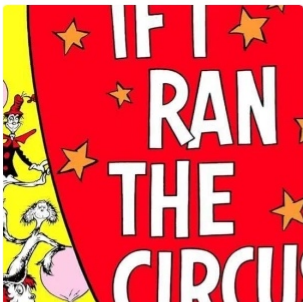

\$425

Circus Dancing

For this dancing wonder, our performer will use several different props such as silk fans, poi, silk poi, and leviwand, to show the audience different types of dancing that can be used in the circus. After each demonstration some audience members can try the props for themselves! (All ages).

\$425

Reading Circus

Not only does reading help learn new words and information, but reading plays a huge part in performing for the circus. In this show there is a little bit of magic, a little bit of silly acts, and a whole lot of learning about the importance of reading and how it ties into the circus. (All ages).

\$425

Balloon Art

Watch in amazement as balloons get turned, tied, and twisted into animals like dogs, cats, giraffes and more! What different kind of balloons are there, and what can we do with them all? We will demonstrate all of these fun things during our balloon art show. We event end with a balloon game to get the audience up and moving. (All ages).

\$425

Pirates Life

Yo Ho! Learn “how to be a pirate” with some pirate flag magic, hilarious sword fighting, ridiculous tricks, and a mysterious Bermuda triangle. The audience will get a good laugh and learn al about what a circus pirate does when they are on the ship. (All ages).

\$425

Intro to Performance Art

A performance artist from our team will bring a variety of flow props, such as hula hoops, poi, levitation wands, juggling hats, dancing silks, spinning plates. This interactive program will introduce audience members to different styles of dance and performance art and give them the opportunity to try some of these props themselves! Show includes a mixture of performances by performer and audience participation.

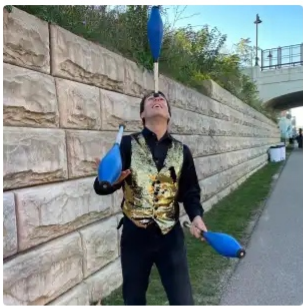

\$425

Magic Show

Joshua Wilde is the house magician at the Detroit Institute of Arts and the Henry Ford Museum, he owns the Wunderground Magic Shop in Clawson, MI, and has had the opportunity to perform thousands of shows. Josh performs a family-friendly show filled with magic, comedy, and juggling that is designed for children, but that adults love too. He offers high-quality entertainment with audience participation. (All ages).

\$425

Juggling Show

Get a new perspective on gravity with a juggling show with Rufus the Dufus. You may have seen him at the Michigan Renaissance faire in Holly, MI. In this interactive program, Rufus will demonstrate the laws of gravity with juggling, face balancing, and other incredible balancing acts. Great for all ages and audience sizes. (All ages).
